Our group tour service to Tigre is unique within the market due to its characteristics and the services it offers, such as traveling from Buenos Aires to the Delta in a first class motor launch.

At the start of the tour you will head to the city's port to board a First Class motor launch which will take you to the Tigre Delta. During the one and a half hour trip you will be able to admire Buenos Aires from the Rio de la Plata (River Plate), its northern areas and the channels of the Delta, whilst enjoying refreshments on board.

After the motor launch trip, a minibus will pick you up and take you to visit Paseo Victorica, the most important neighborhood in Tigre and the Puerto de Frutos. You will soon find yourself in San Isidro where you will visit the town's historical center and Cathedral on foot while having a snack, and then finally you will see the city's northern areas and the Presidential Residence in Olivos, before returning to the City.
